Add A Book

GLSEN Hudson Valley wants to ensure that all schools are safe for LGBT people and that there are LGBT resources available when students or staff need them. With those goals in mind, GLSEN Hudson Valley is excited to offer the *Add A Book* program!

Adding an LGBT resource book to your school library is as simple as 1,2,3! Just follow the **3 EASY STEPS** and GLSEN Hudson Valley will provide you with the LGBT-related book of your choosing!

It is just one more way that you can make your school inclusive. Help LGBT people be reflected on the bookshelves of your school library for years to come!

3 EASY STEPS

1. Visit the *Booklink* section of www.glsen.org to learn what books are available.
2. Work with your school librarian to survey what LGBT books you already have and determine what you need.
3. Fill out the form below and return it to
